Title I - Design Review Plan for the Exploratory Shaft Facility
(ESF) at 50 Percent Completion

Dear Mr. Gertz:

In accordance with your request for Science Applications International Corporation (SAIC) to prepare a Program for the subject review, I am pleased to transmit a copy of the Plan for your review, comment, and approval. Due to the short turn around, SAIC has initiated implementation of the Plan pending your approval.

Briefly, the scope of the Plan is to provide a review of the ESF Title I Design at 50 Percent Completion and document the review comments and resolutions according to the subject Plan and establish Quality Assurance procedures.

Should additional discussions be required, please contact G. Kanton Beall at FTS 575-8829.

Sincerely,

SCIENCE APPLICATIONS
