TO: Kathy Russell
FROM: Paul T. Prestholt, Sr. On-Site Representative
SUBJECT: Commission on Nuclear Projects [State of Nevada]

I have been contacted by Carl Johnson of the Agency for Nuclear Projects [State of Nevada] and informed that the Commission is planning its second meeting for February 7th, 1986, in Las Vegas. At the present time there is no agenda available. However, since this is a new Commission, and the NRC was not represented at the first meeting on January 6th, I would recommend that you attend this meeting. Bob Loux did tell this office on January 15th, that he will be sending you a meeting notification letter. This memo is to advise you of the meeting, since I do not know when his correspondence will be sent.
