Dear Ms. Still:

This letter is a follow-up to our meeting on August 5, 1986. I formally request this Office be provided with periodic listings of all documents placed in the NRC Public Document Room pertaining to the NNWSI Project in Nevada and periodic listings of all technical reports relating to the Project.

Should you have any questions or problems relative to this request, do not hesitate to contact me.

Sincerely,

Carl A. Johnson  
Administrator of Technical Programs
