SUBJECT: ADDITIONAL QUESTION/CHANGE OF CORPORATE NAME

Dear Ms. Milicic:

We have requested information in NRC letter dated August 8, 2003, in response to your letter dated March 26, 2003, where you asked to change the corporate name for Registration Certificates NR-112-D-102-B, NR-112-D-103-B (which was listed, through an oversight, in the letter as NR-112-D-106-B), and NR-186-D-117-B. We need additional information, than those listed in the NRC's letter dated August 8, 2003, regarding the devices in Registration Certificates NR-112-D-102-B, and NR-112-D-103-B.

Specifically, we modified Item 1, and ask you that you provide in your response the additional information, that is shown in bold:

- the total number of the products sold to date **by BSI Instruments and its predecessors, listing the first and the last serial numbers for each model**; the number of products still in use (to your best estimate)

If you need additional time to complete your response to this request over the thirty days that was specified in the NRC's August 8, 2003, letter, please let us know either in writing, or on the telephone, or by e-mail. If you have any questions, please contact me at (301) 415-7904, email: jpj2@nrc.gov; or Mr. Ujagar Bhachu at (301) 415-7894, e-mail: usb@nrc.gov.
