Dear Mr. Baldwin:

With the enclosed certificate of recognition, the Conference of Radiation Control Program Directors, Inc. The CRCPD and the OAS would encourage you and the Executive Branch to continue support of the important services that the Division of Public Health provides for your state, and that serves as an example for radiation control programs in other states and nations.

We hope that you will find an opportunity to present this commendation to the radiation control program staff, and in doing so please extend our congratulations and best wishes for continued success in regulating the safe use of radioactive material and radiation producing equipment.
