Dear Dr. Tseng:

Thank you for your letter about the completion of your assignment at TECRO and your return to Taipei in a few weeks. I must say that it is difficult to imagine how your five years in Washington could have passed so quickly!

I want to recognize and thank you for your very active liaison between TECRO and the NRC. Kevin Burke, on my staff, has spoken highly of your good work to help implement and complete many safety assistance projects between NRC and Taiwan's nuclear community. This work has strengthened the bilateral cooperation between NRC and Taiwan's Atomic Energy Council. With your successor, Dr. Shih-Kuei Chen, NRC will look for opportunities to further strengthen this cooperation.

Let me wish you great success in handling new assignments in Taipei. I know that your many friends at NRC look forward to continuing to work with you, and look forward to seeing you at upcoming AIT-TECRO annual review meetings.

With my best regards.

Sincerely,
