Dr. Donald L. Vieth
 Director
 Waste Management Project Office
 Department of Energy
 Nevada Operations Office
 P.O. Box 14100
 Las Vegas, NV 89114-4100

Dear Dr. Vieth:

This letter is to acknowledge receipt of most of the references cited in the NNWSI Draft EA. Attached is a list of the references which we have not received and do not have available in-house. The list does not include the references from Chapter 1 and Appendix A, which we also have not yet received.

Jean Younker has informed us that the eight references listed as personal communication have been sent to us. We look forward to receiving these references, as well as the references on the attached list and those from Chapter 1 and Appendix A, within the next few days.

We would like to thank you and your staff for the well organized manner in which they boxed the many references that we have received. It saved us considerable time in processing them on this end.

Should your staff have any questions about the attached list, please call either myself (FTS-427-4728) or Sylvie Olney (FTS-427-4783).

Sincerely,

Original Signed By:

Seth M. Coplan, Section Leader
