Dear Dr. Vieth:

I have received your February 14 letter proposing that the NRC/NNWSI management meeting be held March 11, 1985, in Washington, D.C. This proposal is acceptable to us. We share your interest in discussing the rationale, orientation, and schedule for future technical meetings between our respective staffs.

King Stablein of my staff will be responsible for interactions regarding development of a detailed agenda for the March 11 meeting. He will be in contact with Jerry Szymanski of your staff shortly for that purpose.

Sincerely,
