Dear Dr. Vieth:

In my November 9, 1984 letter to you I notified you of the NRC points of contact in the various technical areas specified in Appendix 3 of the DOE/NRC Project-specific Agreement. At this time I would like to make one change in that list: the NRC contact in the geology-geophysics area is now A. K. (Buck) Ibrahim (FTS 427-4621).

As I mentioned to you during the March 11, 1985 NNWSI Project/NRC Management Meeting, I am interested in establishing points of contact for the area of Environment and hereby request that you name an NNWSI contact in this area. William Lilley (FTS 427-4798) is the NRC contact.

If you have any questions concerning these matters, please call King Stablein (FTS 427-4611) of my staff.

Sincerely,
