Dr. Donald Vieth, Director
Department of Energy - (WMPO)
PO Box 14100
Las Vegas, Nevada 89114

Dear Dr. Vieth:

In accordance with Appendix 7 of the DOE/NRC Site-Specific Procedural Agreement, Dr. Linda Kovach, WMGT, wishes to meet with Dr. Kimberly Thomas, LANL to discuss the subject of sorption.

Attending with Dr. Kovach will be Dr. John Bradbury, NRC; Drs. Kelmers, Blencoe, Jacobs and Meyers, Oak Ridge National Laboratory; and Dr. Malcom Siegal, Sandia National Laboratory.

It is suggested that this one day meeting be held during the week of September 9th.

I have discussed the possibility of holding this meeting with Drs. Oakley, De Poorter, and Thomas of the Los Alamos National Laboratory and with Mr. Jerry Szymanski of your office. None of the above have expressed any objection. I also intend to invite Mr. Carl Johnson, State of Nevada.

It is my understanding that no agenda nor written report is necessary if the meeting is held under provisions of Appendix 7. Consequently, unless you have objections, I will proceed to finalize arrangements for this meeting with Jerry.

Sincerely,

Paul T. Prestholt
