POSTPONEMENT OF TWO TENTATIVELY SCHEDULED WORKSHOPS BETWEEN NRC AND DOE/NNWSI

Due to the emphasis DOE-HQ has placed on producing an Environmental Assessment per the Nuclear Waste Policy Act, 1982, within the time constraints imposed, NNWSI will have to devote its key personnel to supporting the EA activity. As a consequence, too few persons will be available to support the NRC/DOE-NNWSI workshops listed below. Therefore, we have no alternative but to postpone the workshop until after the EA deadlines are met.
