POSTPONEMENT OF TWO SCHEDULED WORKSHOPS BETWEEN NRC AND NNWSI

Due to new program requirements given to the NNWSI by DOE/HQ on October 6, 1983 to meet, project deadlines supporting developmental activities for the Environmental Assessment (EA) per the Nuclear Waste Policy Act, of 1982, on a high priority, we have no alternative but to postpone the following workshops:

<u>DATE</u>	<u>TITLE</u>	<u>LOCATION</u>
Oct. 13, 1983	Performance Assessment	NRC Silver Springs, MD
Oct. 25,26, 1983	Geochemistry	LANL Los Alamos, NM

Whether or not these workshops can be rescheduled sometime in the November/December time frame depends upon the schedule for the EA. Please inform us of possible dates.
