SUPPORTING REFERENCE DOCUMENTS THAT ARE CITED IN THE DRAFT ENVIRONMENTAL ASSESSMENT FOR YUCCA MOUNTAIN (DOE/RW-0012) AS PERSONAL COMMUNICATIONS

The following reports are cited as personal communications in the text of the draft Environmental Assessment for Yucca Mountain and the citation is followed by the statement "data expected to be contained in USGS report by," with the author and report title following. The enclosed set of reports had not yet been finalized by the USGS at the time that the draft Environmental Assessment was sent to the printer. Because these USGS reports were still undergoing revisions during their final review within the U. S. Geological Survey, this set of reports was treated separately and they are being provided to you in this package.

The reports contained in this package are:
