Dr. Donald L. Vieth, Director
 Waste Management Project Office
 U. S. Department of Energy
 Nevada Operations Office
 P. O. Box 14100
 Las Vegas, NV 89114

Dear Dr. Vieth:

This letter is to confirm the telephone conversation of August 28 between J. Szymanski of your staff and K. Stablein of my staff in which we requested a postponement of the NRC/DOE NNWSI management meeting scheduled for September 5, 1984 in Las Vegas until a mutually convenient time can be arranged.

This request for a postponement does not reflect a change in the NRC belief that such a meeting would be quite beneficial. We look forward to rescheduling it as early as possible.

Sincerely,
