Dear King:

The following published reports were requested by Tom Schmitt in the weapons test seismic portion of the NRC design/rock mechanics data review (July 18-20, 1984):

1. SAND79-1002
2. SAND80-1020/1
3. SAND81-0784
4. SAND81-2214
5. SAND82-0174
6. SAND82-1647
7. SAND82-2478
8. SAND83-1553
9. SAND83-2625

All reports are being shipped under separate cover for your use. This transmittal completes all follow-up action required from the weapons test seismic portion of this data review. If there are any questions, please contact me (505)844-9160 or Joe Tillerson (505)844-5575.

Sincerely,

Thomas O. Hunter
