

MEMORANDUM TO: Gary S. Janosko, Acting Chief  
Rulemaking and Guidance Branch  
Division of Industrial and Medical Nuclear Safety  
Office of Nuclear Material Safety and Safeguards

FROM: Michael T. Lesar, Chief **/RA/**  
Rules and Directives Branch  
Division of Administrative Services  
Office of Administration

SUBJECT: OFFICE CONCURRENCE ON DIRECT FINAL RULE ENTITLED, "LIST OF APPROVED SPENT FUEL STORAGE CASKS: STANDARDIZED NUHOMS -24P, -52B, -61BT, 32PT, AND -24PHB REVISION"

The Office of Administration concurs on the direct final rule that amends Part 72. We have attached a copy of the portion of the package that presents our comments.

When this document is forwarded for publication, please include a 3.5 inch diskette that contains a copy of the document in WordPerfect as part of the transmittal package. The diskette will be forwarded to the OFR and the Government Printing Office for their use in typesetting the document.

A Regulatory History must be created for this final rule after it has been published in the *Federal Register*. The Regulatory History should be created in ADAMS. In the profile of each document related to the Regulatory History, use the Regulation Identifier Number (RIN) as the Case/Reference number (RIN-AH32). This will make it easier to combine all the documents into a package under ADAMS after the final rule has been published.

If you have any questions, please contact me, 415-7163 (MTL), or Michael Harrison, 415-6865 (PMH), of the Office of Administration.

Attachment: As stated
