POSTAL SERVICE

At its meeting on March 2, 1987, the Board of Governors of the United States Postal Service voted unanimously to close to public observation its meeting scheduled for April 6, 1987, in Dallas Texas. The meeting will concern: (1) A discussion of strategic planning in connection with possible future rate adjustments; and (2) consideration of the February 6, 1987, recommended decision of the Postal Rate Commission on change in collect on delivery service.

The meeting is expected to be attended by the following persons: Governors Griesemer, McConnell, McKean, Nevin, Peters, Ryan and Setrakian; Postmaster General Tisch; Deputy Postmaster General Coughlin; Secretary to the Board Harris; and General Counsel Cox.

The Board determined that pursuant to section 552b(c)(3) of Title 5, United States Code, and § 7.3(c) of Title 39, Code of Federal Regulations, discussion of these matters is exempt from the open meeting requirement of the Government in the Sunshine Act, [5 U.S.C. 552b(b)], because it is likely to disclose information in connection with proceedings under Chapter 36 of Title 39 (having to do with postal ratemaking, mail classification and changes in postal services), which is specifically exempted from disclosure by section 410(c)(4) of Title 39, United States Code. The Board also determined that pursuant to section 552b(c)(10) of Title 5, United States Code, and § 7.3(j) of Title 39, Code of Federal Regulations, the discussions are exempt because they are likely to specifically concern the participation of the Postal Service in a civil action or proceeding or the litigation of a particular case involving a determination on the record after opportunity for a hearing. The Board further determined that the public interest does not require that the Board's discussion of this matter be open to the public.

In accordance with section 552b(f)(1) of Title 5, United States Code, and § 7.6(a) of Title 39, Code of Federal Regulations, the General Counsel of the United States Postal Service has certified that in his opinion the meeting may properly be closed to public
