Desc: I'm interested in obtaining all "incidents" recording and investigated by the US Nuclear Regulatory Commission involving radioactive materials in the Central Indiana counties of Marion, Hamilton, Johnson, Hendricks and Boone.

Included in the requested information is, but not limited to, the misuse, misplacement, loss or incidents of stolen radioactive material in the counties.

Information requested includes but is not limited to, hospital, clinical and industrial misuse of radioactive material.

Included in the request is all fines, remediation and legal action initiated by the Unites States government as a result of "incidents" of radioactive materials in the Indiana counties listed above.

FeeCategory: NewsMedia

MediaType: WXIN Fox 59

MediaType_TVRadio: on

FeeCategory_Description:

Expedite_ImminentThreat: on

Expedite_ImminentThreatText: It is necessary to find out if radioactive material is being misused or lost or stolen in the Central Indiana area (Indianapolis) and to find out if the US Nuclear Regulatory Agency is aware of such incidents.

Expedite_UrgencyToInform: on

Expedite_UrgencyToInformText: I am an assignment editor with a television news organization in the Central Indiana area.

Waiver_Purpose: I intend to inform the public if incidents involving use/misuse of radioactive material in the Central Indiana area would affect the health and safety of residents

Waiver_ExtentToExtractAnalyze: I will use the information only after collaborating it with principals involved and with public information officials for the various organizations involved. (Such as public information officers for the various hospitals, clinic, corporations involved).

Waiver_SpecificActivityQuals: I -- and the news organization that I work for -- have a lengthy service in news gathering and delivery.
The news organization has received several awards for public service as have I.

Waiver_ImpactPublicUnderstanding: Hopefully, more residents and users of radioactive material will be better informed as to its properties and proper use of the material.

Waiver_NatureOfPublic: About 1.2 million people.

Waiver_MeansOfDissemination: Through various news reports

Waiver_FreeToPublicOrFee: free of charge

Waiver_PrivateCommericalInterest: none
