Dear Mr. Miller:

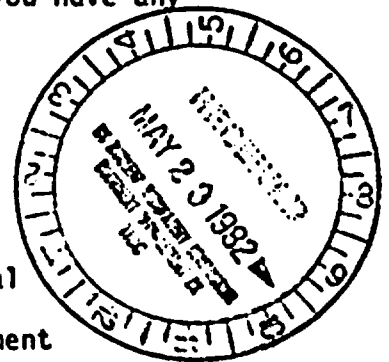

During the period of May 17-19, 1982, a team of fifteen (15) NRC staff and contractors will be meeting with Mitchell Kunich of the Waste Management Project Office. As has been discussed with Mr. Kunich and in connection with that meeting, we wish to go to the NTS to tour the Yucca Mountain site, the core library and G-tunnel. A list of names and other information requested by Frances Gaim of your office has been telefaxed to Mr. Kunich.

Please make the appropriate arrangements for our tour. If you have any questions, please contact me at FTS 427-4675.

Sincerely,
