Subject: Fwd: Re: Release of Safeguards Information

Although we might have placed a lot of similar docs on the web that we have generated over the years--this looks like one we should pull!  
David

Dave, I've printed out the first few pages of this one and it looks rather sketchy. Gives lots of info on the ability of surface to air missiles to attack commercial airplanes. I will leave a copy on your desk, please give me your assessment.
