Dear Dr. Ortiz:

I have reviewed the November 1983 Monthly Report for FIN A1165 and I have the following comments:

- o We are currently reviewing the December 1983 Draft Report on the definition of high-level waste. We will forward our comments to you as they are prepared.
- o As we have previously discussed, please proceed with a review of Chapters 1, 2, and 5, and Appendices A and E, of SD-BWI--PAP-001, "BWIP Performance Assessment Plan". We have authorized an effort of no more than one person-week towards completion of this review, which is to be delivered on or before January 6, 1983.

The action taken by this letter is considered to be within the scope of the current contract SOEW-50-81-76. No change costs or delivery of contracted products is authorized. Please notify me immediately if you believe this letter would result in changes to costs or delivery of contracted products.

Sincerely,
