Subject: Nuclear Management Company (NMC) Names Douglas E. Cooper as Senior Vice President of Group Operations and Daniel J. Malone as Palisades Site Vice President

Discussion:

On September 3, 2003, Nuclear Management Company announced that the Palisades Nuclear Generating Plant Site Vice President, Douglas E. Cooper, has been promoted to the position of Senior Vice President of Group Operations. It was also announced that the Palisades Nuclear Generating Station Site Director, Daniel J. Malone, has been promoted to the position of Site Vice President - Palisades Nuclear Generating Plant. Both appointments were announced as effective immediately.

As NMC's Senior Vice President of Group Operations, Mr. Cooper's chief responsibility will be to oversee both Palisades and Point Beach nuclear power plants. He will also be responsible for NMC fleet duties in the areas of standardization and business support.

As Site Vice President - Palisades Nuclear Generating Station, Mr. Malone's chief responsibility will be to oversee all plant activities and relationships with external stakeholders, including the asset owner, regulatory agencies, and the general public at Palisades.

The position of Site Director for Palisades Nuclear Generating Plant is currently vacant.
