Dr. R. M. Cranwell
Waste Management Systems
Division 6431
Sandia National Laboratories
Albuquerque, New Mexico 87185

Dear Dr. Cranwell:

SUBJECT: FIN A-1755, TASK 2, AUTHORIZATION TO ATTEND A DOE/NRC
MEETING ON RETRIEVABILITY

This letter is to confirm a conversation between David Tiktinsky of the NRC and Krishen Wahi, SAIC on July 1, 1985. During that conversation it was requested that Mr. Wahi and Jaak Daemen attend a NRC/DOE meeting on retrievability to be held July 30-31, and August 1, 1985 in Silver Spring, Maryland. In addition, as preparation for the meeting, the document entitled "The DOE Position Paper on Retrievability and Retrieval," June 28, 1985 should be reviewed (sent under separate cover). This review should be completed by July 17, 1985.

The action taken by this letter is considered to be within the scope of the current contract FIN A-1755, no changes to costs or delivery of contracted products are authorized. Please notify me (FTS-427-4735) or David Tiktinsky (FTS-427-4649) immediately if you believe this letter would result in changes to costs or delivery of contracted products.

Sincerely,

[Signature]
