Dear Dr. Cranwell:

SUBJECT: COMMENTS ON MONTHLY REPORT FOR FIN-A1165 (SEPTEMBER, 1986)

I have received your report summarizing the activities during the month of September for FIN A-1165. I have received the report and have the following comments:

1. Under Task 1, you indicated that the interim report on the development of an integrated licensing assessment methodology has been completed and will be submitted with the October Monthly Report. Allowing sufficient time for NRC staff to review this report, a meeting should be scheduled sometime in December to discuss the report and Sandia's continuing efforts towards task completion.
2. Under Task IV, you indicated that preparation for the short course in performance assessment are continuing. As a reminder, any course materials to be provided to the attendees should be submitted as early as possible to allow time for duplication.

The action taken by this letter is to be considered within the scope of the current contract (FIN A-1165). No change to cost of delivery of contracted products are authorized. Please notify me immediately if you believe this letter would result in change to cost or delivery of contracted products.

Sincerely,
