Dear Dr. Rajaram:

We have reviewed your monthly progress report for the month of November submitted under the Nuclear Regulatory Commission (NRC) contract No. NRC-02-82-030 entitled, "Technical Assistance for Design Reviews."

The following comments are provided and should assist you in preparing the next monthly report:

Section 1.0 - INTRODUCTION

It appears that the man-hours for Task 001 should be placed under Task 1 activities, rather than Task 2 activities.

Section 4.1 - SUMMARY OF ACTIVITIES

Task Order 002

The NRC Contracting Officer has provided approval for the two month time extension.

Section 4.2 - Results

NRC comments on the draft letter report for modification 1 were transmitted by our letter dated December 1, 1982.

Section 7.0 -Activities Planned for the Next Reporting Period

Final letter reports incorporating NRC comments are required for each draft report as called for in Article 1, Section 3.2.2. of the contract.
