Dear Dr. Cranwell:

SUBJECT: COMMENTS ON MONTHLY REPORT FOR FIN A-1755 (JUNE 1986)

I have received your report summarizing the activities during the month of June for FIN A-1755. Your report sufficiently addresses the details necessary to effectively monitor this contract. The revised expenditure figures should appear on the next (July, 1986) monthly budget report. I have additionally received the review of BWIP document "EPASTAT: A Computer Code for Estimating Radionuclide Releases at the Accessible Environment Boundary from a Repository in Basalt", by L. R. Shipers.

The above is being reviewed by the NRC staff and we will pass on any comments to you.

The action taken by this letter is considered to be within the scope of the current contract (FIN A-1755). No changes to cost or delivery of contracted products are authorized. Please notify me immediately (FTS 427-4735) if you believe this letter would result in changes to cost or delivery of contract products.

Sincerely,
