SUBJECT: COMMENTS ON MONTHLY REPORT FOR FIN-A1165 (APRIL, 1987)

Dear Mr. Cranwell:

I have received and reviewed your report summarizing the activities during the month of April for FIN A1165. Based on my review I have the following comment on the April monthly report:

1. Under Task 1, you indicated that a copy of the paper entitled "Sources/Treatment of Uncertainties in the Performance Assessment of Geologic Radiactive Waste Repositories" was enclosed with the monthly report. Since the paper was inadvertently omitted from the report, a copy should be included in your next monthly report.
2. The internal NRC memo by J. Trapp referred to under Task 4 was, in fact, a preliminary draft that has not been finalized. Further action is pending while SNL completes its analysis.

The action taken by this letter is to be considered within the scope of the current contract (FIN A1165). No change to cost or delivery of the contracted products are authorized. Please notify me immediately if you believe this letter would result in a change to the cost or delivery of contracted products.

Sincerely,

LSI
