Proposal for Optional Task 6

Dear Mr. Coleman:

CorSTAR Research, Inc. is pleased to submit this proposal for Optional Task 6 of the subject contract covering technology transfer to the NRC. Our proposal addresses three areas of technology transfer: computer codes, benchmark solutions, and software quality assurance and the need for computer code benchmarking and software quality assurance.

Our proposal consists of a technical proposal and a cost proposal submitted as one document, and is valid for 90 days.

If you have any questions on our proposal, please contact the undersigned.

Sincerely,

Douglas K. Vogt
