SUBJECT: SCP REVIEW GUIDES FOR PERFORMANCE ASSESSMENT

Dear Dr. Cranwell:

I have enclosed a copy of the third draft of the SCP Review Guides for Performance Assessment Activities, along with the related SCP Review Guide for Issues, Information Needs, and Performance Allocation. This draft will be used for review of the Draft Consultative SCP's and you should, therefore, ensure that your key staff are thoroughly familiar with these Review Guides. I consider the performance assessment Review Guides to be a key part of the SCP Review Plan, and you and your staff are to be commended for the high quality of the technical assistance provided in completing the various drafts of these Review Guides. Completion of this work (subtask 5.1) should provide an excellent basis for completing several of the other subtasks outlined in the FY88-89 statement of work for FIN A-1165.

The action taken by this letter is to be considered within the scope of the current contract (FIN A-1165). No changes to cost or delivery of contracted products are authorized. Please notify me immediately if you believe this letter would result in change to the cost or delivery of contracted products.

Sincerely,

Daniel A. Galson, Project Manager  
Operations Branch  
Division of High-Level Waste Management  
Office of Nuclear Material Safety
