MEMORANDUM TO: John Reuss
Division of Minerals Availability

FROM: Richard Lee, Project Officer
Geotechnical Branch
Division of Waste Management

SUBJECT: WORK DIRECTIVE UNDER FORTHCOMING TASK ORDER #002
OF INTERAGENCY AGREEMENT NRC-02-85-002 4

As part of forthcoming Task Order #002 of Interagency Agreement NRC-02-85-004, this Work Directive is to provide review and comment on five technical documents authored by the Texas Bureau of Economic Geology. The documents have been sent to Nick Wetzel of the Western Operations Field Center, and he has been verbally instructed to begin the review when he receives the documents. Other similar documents may be received by the NRC, and they will also be sent for review and comment under this Work Directive. The level of effort for this Work Directive is three staff-weeks, and the comments should be received by the NRC Project Officer by Friday, August 2. Receipt of the comments with an accompanying transmittal memorandum will constitute the deliverable letter report associated with this Work Directive.
