Ch

Dear Dr. Williams:

The initial meeting with Williams and Associates, Inc., under the recently awarded contract (No. NRC-02-85-008; FIN D1020) is scheduled for October 22-25, 1985, here in Silver Spring, Maryland. This meeting primarily is for planning and organizational purposes, hence no detailed technical discussions of particular HLW sites are anticipated.

I have already forwarded a copy of the agenda to you. In addition, I have forwarded copies of the complete lists of DOE documents for all HLW sites received by NRC to date. The process of obtaining duplicate copies and transferring them to you will be facilitated by your review of the document lists prior to the meeting. Please identify those pertinent documents not in your reference library.

If you have any questions regarding this meeting, please do not hesitate to contact me at (301) 427-4725.

The action taken by this letter is considered to be within the scope of the current contract NRC-02-85-008. No changes to cost or delivery of contracted services and products are authorized. Please notify me immediately if you believe that this letter would result in changes to cost or delivery of contracted products.

Sincerely,

Jeffrey A. Pohle, Project Officer
Geotechnical Branch
Division of Waste Management
