Dr. Donald L. Vieth, Director
 Waste Management Project Office
 U.S. Department of Energy
 Nevada Operations Office
 P.O. Box 14100
 Las Vegas, NV 89114-4105

Dear Dr. Vieth:

The Aerospace Corporation, an NRC contractor involved in the waste package area for NNWSI, BWIP and Salt sites, has expressed a desire to receive copies of lists of publications related to the NNWSI from the various DOE contractors as such lists become available. This would facilitate Aerospace's work in that they would be more immediately aware of reports needed by them and could then write the DOE contractor directly to obtain copies of those reports. I would therefore appreciate it if you could arrange to have copies of such lists, as they become available, sent to the following address:

Kenneth W. Stephens
 The Aerospace Corporation
 Suite 4000
 955 L'Enfant Plaza, SW
 Washington, DC 20024

Please contact King Stablein (FTS 427-4611) of my staff or myself (FTS 427-4728) if you have any questions regarding this request.

Sincerely,
