RE: Task 5--Topical Reports

Dear Jeff:

This letter constitutes the trip report for Williams and Associates, Inc. for the November 24-25, 1986, meetings in Littleton, Colorado. Dr. Stan Miller and I met with Nuclear Waste Consultants and discussed the content and preparation of Topical Report #2. Nuclear Waste Consultants was represented by Mr. Adrian Brown, Mr. Mark Logsdon, Dr. Tony Starfield, and Mr. Lyle Davis.

A rough outline was created during the meetings. Mr. Logsdon is completing the skeleton of this outline; this outline will be reviewed and expanded by Nuclear Waste Consultants.

Sincerely,

Gerry Winter
