SUBJECT: Monthly Progress Letter Report No. 39 - June 1987
Activities of Contract NRC-02-84-001

Dear Dr. Ibrahim:

During the month of June, Weston had general discussions concerning present activities and potential reviews.

We received a modification of the period of performance from March 9, 1984 to December 9, 1987 on June 8, 1987. On June 15, 1987, we received the Acknowledgment of Receipt for Copy 89 of Weston Quality Assurance Program Manual. The final report of the "Survey of Geophysical Techniques for Site Characterization in Basalt, Salt, and Tuff", NUREG/CR 4957, was submitted on June 20, 1987.

The breakdown of Weston's charges billed through June 30, 1987 are as follows:

Billed through May 31, 1987	\$265,254.42
Billed in June, 1987	4,330.73
TOTAL CONTRACT COST BILLED AS OF JUNE 30, 1987	\$269,585.15
TOTAL CHARGES THROUGH JUNE 30, 1987	\$269,585.15

Weston has maintained routine telephone contact with the NRC Project Manager, Dr. Abou-Bakr Ibrahim, regarding technical aspects of the contract and with the NRC Contract Administrator, Ms. Mary Little, for proposal requirements.

Weston again assures the Commission of our interest and cooperation; we look forward to the earliest opportunities to be of further service.

Very truly yours,

WESTON GEOPHYSICAL CORPORATION

Mary M. Fannon
