Mr. Mark J. Logsdon, Project Manager
Nuclear Waste Consultants, Inc.

Suite 6
Littleton, Colorado 80127

Dear Mr. Logsdon:

I have received your Monthly Progress Report for April dated May 12, 1986. This report describes the status of Nuclear Waste Consultants' technical assistance under Contract No. NRC-02-85-009. Progress made to date under this contract is satisfactory.

We have received the final EA's from DOE this week. We will forward copies to respective teams. I suggest that everyone become familiar with their contents even though overall NWC participation in final review will be limited. I expect the Terra Therma/NWC team participation to be at a higher level (BWIP).
