Attention: Mr. Jeff Pohle, Project Officer
Technical Assistance in Hydrogeology - Project B (RS-NMS-85-009)

Re: Database Disk Request - Subtask 2.2

Dear Mr. Pohle:

This cover letter transmits database documentation and a diskette copy of the database files discussed in the Data Inventory and Management Report, Update No. 1 for BWIP, Subtask 2.2 of Contract No. RS-NMS-85-009 as requested by Mr. Michael Weber. Documentation for these files is also included. Please note that these files have been prepared using Lotus 1-2-3 Release 2.

The enclosed diskette files include databases that address the following types of data:

1. Single-Borehole Hydraulic Test Data
2. Multiple-Borehole Hydraulic Test Data
3. Borehole Hydraulic Head Data
4. Borehole Geologic Data

Further updates, as well as our geochemical database, will be forwarded as they become available. NWC is forwarding the diskette copy to Mr. Michael Weber per his request; if the NRC wishes NWC to provide additional copies, please notify me.

If you have any questions concerning this report or related matters, please contact me immediately.

Respectfully submitted,
NUCLEAR WASTE CONSULTANTS, INC.

Barbara Basse
