SUBJECT:

MONTHLY STATUS REPORT FOR DECEMBER, 1985, FOR SANDIA  
PROJECT FIN A-1756, "GEOCHEMICAL SENSITIVITY ANALYSIS"

Attached is the December monthly report for the above project dated January 15, 1986. Please submit any comments to me by January 28, 1986. Please note that there is a user's guide for accessing the LRL computing system and the thermodynamic data base stored there in this monthly report. Please contact me for username and password if you wish to access the data base.
