Silver Spring, MD 20910

Dear Mr. Coleman:

This letter is to inform you that a camera-ready copy of NUREG/CR-3925, "SWIFT II Self-Teaching Curriculum: Illustrative Problems for the Sandia Waste-Isolation Flow and Transport Model for Fractured Media" has been sent to Pat Larking of the NRC Publications Department. Also included is the set of microfiche which should be attached to the back covers of the documents.
