Dear Mr. Logsdon:

I have reviewed your monthly progress report for December dated January 14, 1987. This report describes the status of Nuclear Waste Consultants' Technical Assistance under Contract No. NRC-02-85-009. Overall progress made to date under this contract is satisfactory.

Task 1 - NNWSI

I have no comments regarding this month's NNWSI related activities.

Task 2 - BWIP

We have received your reanalyzing of BWIP's GWTT calculations. Because this subject was discussed during the January 27-29 meetings no further comment is required.

Task 3 - SRPO

I have no comments regarding this month's SRPO related activities.

Task 5

No comments.

Finally, because our agenda at the last meeting was modified due to other priorities, I propose to schedule a future meeting here in Silver Spring during March 17, 18 and 19. I request your attendance subject to final agreement on proposed dates.

The action taken by this letter is considered to be within the scope of the current contract NRC-02-85-009. No changes to costs or delivery of contracted products are authorized. Please notify me immediately if you believe this letter would result in a change to costs or delivery of contracted products.

Sincerely,
