Upcoming plans for assistance from Weston include attendance at the Paradox Basin Geophysical Data Review and the BWIP Field Trip (both in November). Task order proposal requests will be sent to you very soon.

I have an additional comment concerning your future monthly progress reports. For accounting purposes, please include the following information on costs for work completed by Weston:

1. Total costs incurred by the NRC to date (not to include the subject month's costs);

3. The total costs for the subject month.

Action taken by this letter is considered to be within the scope of the current contract (NRC-02-84-001). No changes to costs or delivery of contracted products are authorized. Please notify me immediately if you believe this letter would result in a change to costs or delivery of the contract products.
