SUBJECT: RESPONSE TO NOVEMBER, 1986 MONTHLY PROGRESS REPORT UNDER CONTRACT NO. NRC-02-84-002 (FIN D1004)

Dear Dr. Singh:

I have reviewed the November 1986 monthly progress report submitted by Engineers International. Based on the summary of activities presented, I have the following comments.

Task Orders 001-006

Task Orders through 006 have been completed.

Task Order 007

Currently, all tasked document reviews assigned under this Task Order are complete. Management and reporting activities continue.

Task Order 008

Work is proceeding on Task Order 008 Subtasks 1, 2, and 3.

Mr. Peter Huck identified several difficulties in completing Task 008 in a letter dated December 4, 1986. The delays were identified by Mr. Huck in a timely fashion. Mr. Huck stated no difficulties in meeting the cost projections associated with the delays in Task Order 008 progress. Therefore, I am assuming additional funds are not required to complete Task Order 008.

If you have any questions or comments regarding this letter please contact me.

Sincerely,

JS
