SUBJECT: RESPONSE TO SEPTEMBER, 1986 MONTHLY REPORT UNDER CONTRACT NO.  
NRC-02-84-002 (FIN D1004)

Dear Dr. Singh:

I have reviewed the September 1986 monthly progress report submitted by Engineers International. Based on the summary of activities presented, I have the following comments.

Task Orders 001-006

Task Orders 001 through 006 have been completed.

Task Order 007

Document reviews are continuing under this task order. A trip report has not yet been submitted for the data review meeting attended by Mr. Peter Huck on August 18 - 20, 1986.

Mr. Robert Cummings attended an Appendix 7 visit to Columbus, OH on September 29 through October 3, 1986. A trip report has be received.

Task Order 008

Work is proceeding on Task Order 008 subtasks 1, 2, and 3.

Difficulties

Trip reports are required within 10 days following travel by Engineers International employees. Mr. Peter Huck has not yet submitted a trip report for the data review trip taken on August 18-20, 1986.

Monthly progress reports are to be submitted on the 25th day of each month. These reports should summarize the prior months activities. An effort should be made to submit these reports on a more timely basis.
