Division of High-Level Waste Management
Office of Nuclear Material Safety and Safeguards

SUBJECT: PRESENTATIONS BY SANDIA NATIONAL LABS
ON PROJECT FIN A1158

On Thursday, September 3rd, Paul Davis and Charlene Harlan of Sandia National Labs will be visiting our offices to give presentations of their work under Project A1158, "Repository Site Definition and Technology Transfer." Paul and Charlene will be discussing the current status of their work in the areas of code maintenance and QA, code validation and verification, technology transfer, and groundwater flow modeling of the BWIP site.

This program review will be held in the 2nd floor conference room of the Willste Bldg. from 1:15 PM to 4:00 PM. An agenda for the presentations is enclosed, and you are cordially invited to attend the review or to send your representatives. Please contact Neil M. Coleman at ext. 74131 if you have any questions about the program review for Project A1158.
