SUBJECT: HQ/OGR QA Review of the ORNL ORIGEN-Type Code Program QA Plan

TO: R. Stein, RW-23

Thank you for the opportunity to review the Revised ORNL QA Plan for ORIGEN Type Code Work and Performance Assessment Program, Revision "O", (dated July 10, 1987). You requested this review in your memo to me on September 25, 1987.

The purpose of this QA Plan is to address the requirements for ORIGEN-Type code verification, benchmarking, validation and enhancement.

HQ/OGR has completed the review and the necessary revisions, based on the initial Draft Plan (dated March 16, 1987), have been included.

We approve Revision "O" of the ORNL QA Plan for issuance and use. ORNL should be commended for developing a well written plan for the code work.
