Ladies and Gentlemen:

(Return to WM. 623 SS)

As per the requirements of the subject contract, 3 copies of the draft final report are being sent to the Bureau of Mines. One copy is enclosed herewith. A second copy is being sent directly to Mr. Earle Amey in Washington, DC. A third copy is being sent to Dr. Banad Jagannath directly at the Nuclear Regulatory Commission, as per our telephone communication.

The final report will have the regulation blue printing on the covers that the Bureau desires. Only the draft copies are in black.

Should you have any questions or comments, please contact me directly.

Engineers International, Inc. appreciates the opportunity to be of service to the U.S. Bureau of Mines and the U.S. Nuclear Regulatory Commission on this contract.

Sincerely,

ENGINEERS INTERNATIONAL, INC.
