RE: License No. 04-23840-01E Summary Report

Please find enclosed the summary report required by 10 CFR 32.20 (c) (2). This report covers the period July 1, 2002 through June 30, 2003 showing total quantity of each isotope transferred. Records of transfer of kinds and quantities of material, identifying by name and address to whom the material is transferred, are kept on site and available for inspection. I plan to submit this report on an annual basis at the same time we submit our required annual report to the State of California. If you have any questions, or need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Belden".
