CONDITION 13.B. OF THE ABOVE LICENSE, CONTROL NO. 133718

Dear Mr. Wood:

This refers to the letter dated September 24, 2003 (received in this office via facsimile in the afternoon of September 25, 2003), from Ms. Marie Turner of your staff, notifying this office of the date of delivery of licensed material to your site. The letter is accepted as the notification required by Condition 13.B. of the above listed NRC license.

Another letter dated September 24, 2003, from Ms. Turner stated that you would like to make a modification to the plenum. We have controlled your request to approve the modification as a request to amend your license. This request is under review, and you will be notified of the results upon completion of the review. **Please be reminded that Condition 18 of your license does not authorize any modification of the plenum unless it is specifically authorized by the NRC.**

Thank you for your cooperation.
