 (Return to WM. 623-SS) _____

Dear Mr. Hart:

We have received your monthly report for the period of time from August 22 to August 31, 1985 for the contract entitled "Technical Assistance for Design Reviews" (NRC-02-85-002, FIN D1016). The following represents our comments on the subject report.

1. The format that was used for the monthly report is satisfactory. However, it is necessary for you to include under Section 8, Schedule and Cost Projection, the actual costs for the reporting period. This item should be sent under separate cover and should be a summary cost sheet as would be found in the monthly voucher. This item is needed for the people in our Policy and Control Branch in order to keep track of contract expenditures.
2. The NRC has requested Don Vieth (DOE/Nv.) to have ITASCA added to the distribution list for Sandia documents related to NNWSI.
3. The travel cost summary sheet as attached in your monthly voucher is an acceptable way of reporting travel costs and it should be used for all of future trips.

The action taken by this letter is considered to be within the scope of the current contract NRC-02-85-002. No changes to costs or delivery of contracted products are authorized. Please notify me immediately if you believe this letter would result in changes to costs or deliver of contracted products. I can be reached on (301)-427-4649.

Sincerely,

DS
