Subject: Availability for Oral Argument

September 26, 2003

In the Matter of Duke Energy Corporation: McGuire Unit 1 & 2 and Catawba 1 & 2

Judge Young, Judge Baratta and Judge Elleman:

I ask your patience with my current limitations. Your order arrived while I am on holiday, and in order to meet the September 30 date to report NIRS' availability for oral arguments, I am taking this very limited opportunity to access the internet to respond. (I return to my office October 1.)

I will be available on any of the dates that the Order references for Oral Arguments. I have a preference based on when my family will be gathering for far away for the holidays, that we not meet November 24 -25. However if this is the only option, given other constraints, I will attend.

Since I am away from my desk, I have used the materials available to me to construct the recipient list for this message. Please forgive me if I have neglected anyone. Now that this proceeding is pending, in any future travels I will be sure to have better resources with me.

Sincerely,

Mary Olson
Director of the Southeast Office of Nuclear Information and Resource Service
