Dear Dr. Sun:

I wish to say that NRC was looking forward to welcoming you to White Flint for discussions with the Commission and the technical staff on Thursday, September 18. I still remember the good discussion that we had over breakfast when NRC was in Taipei last year to meet with the Atomic Energy Council. It was very unfortunate that the weather in Washington was so uncooperative for your visit.

It will be my pleasure to schedule new appointments for you at the Commission at your next opportunity to visit Washington.

Best Regards,

/RA/
